

# Gamber Lacrosse

## Parent/Guardian Code of Conduct

The Gamber Lacrosse Program is committed to providing a safe, fun and learning experience for the players. The Program goals are intended to encourage the players to succeed on and off the field through team commitment and friendships, improving skills, physical fitness, good sportsmanship, respectful behavior, academic achievement and positive citizenship.

Parent/Guardian conduct should foster the goals of the Gamber Lacrosse program. Parents/Guardians will not act in a way that demonstrates disrespect for the game officials, players, coaches, Board members or parents of the Gamber Lacrosse teams and of the opposing teams.

Outlined below is your role as a Parent/Guardian and the communication process between Parent/Guardian and Coach.

### **Your Role as a Parent/Guardian:**

- Be a positive role model
- Show your child support, win or lose
- Control your emotions regarding team placement and at games
- Be a supporter of the entire team, coaches and volunteer Board
- Respect the Coaches and officials
- Communicate with the Coaches in a positive manner
- Encourage your child to achieve realistic goals based on his/her athletic ability
- Recognize improved performance and that it's not all about winning

### **Communication between Parent/Guardian and Coach:**

If a Parent/Guardian has a question and/or concern such as the Coach's interaction with your son/daughter, or suggestions on improving his/her lacrosse skills, please follow the steps as outlined below:

1. Email or call the Gamber Lacrosse Coordinator to express your thoughts and/or concerns. If it is team placement or game related, please do not contact the Coordinator within 48 hours after the conclusion of the event. Contact information for the Coordinator is located on the Gamber Lacrosse website.
2. Do not confront a Coach within 24 hours after a game as this is not the appropriate time to deal with certain matters.

**I understand the conduct expected of me as a Parent/Guardian of a Gamber Lacrosse player. Failure to comply with the above may result in a review of the incident by the Gamber Lacrosse Board, and suspension of the Parent/Guardian from future Gamber Lacrosse events, as determined and enforced by the Board.**
